In accordance with MPHS policy, if you have more than 10 unexcused absences, you will be required to do **Recovery Time**. If you do not make up your absences, you will receive an F.

DUE DATES:

Meet your deadlines. If you have special circumstances affecting your work, see or email me **prior** to the due date so that we can consider alternatives. Coming to me at the start of class on the day an assignment is due is not acceptable.

Typed assignments should be double-spaced, 12-point font, in an easy-to-read font.

Give yourself enough time to print out your work. Coming to class asking to print out your assignment is not acceptable. If you have printer troubles, email your work to me before class.

Your work will be counted as late if you do not have it in hand or in my email inbox **before** the start of class.

MAKE UP WORK:

If you miss a class when a written assignment is due, make-up work is permitted and will be graded for full credit provided that it is turned in within two (2) classes after you return to school. Solo presentations/performances that are missed must be made up **the day you return to class**. It is your responsibility to request work missed and to turn in or present upon return to class.

Get contact information for 2 responsible classmates so that you can ask them about work that will need to be made up if you miss class.

Come to class prepared, assignments/presentations should be ready at the start of class. Points will be taken off for tardiness.

Missed tests must be made up either **before** or **after** school. Email me to set up a time to make up a missed test.

Use the restroom and get water only when it is a real need.

If people abuse this, we'll turn to a limited alternative.

All electronic devices should be out of sight and out of use during the entire class period.

If you have an emergency that needs to be dealt with during class time, you may ask for a pass to use the phone in the front office.

If you need the device for a class-related project, I will give you specific approval.

SCRIPT CONTENT POLICY

Scripts for this class are selected from a wide variety of scene and monologue books as well as full-length plays. All script choices must be approved by the teacher. Words, actions, and subject matter that are deemed inappropriate will be edited or rejected by the teacher. Students are responsible for making sure that they're comfortable with the script choice.

PLAY/CONCERT ATTENDANCE:

Due Dates= Fall: Monday, January 7, 2013

Spring: Monday, May 20, 2013

Theatre integrates art from other disciplines. I, therefore, expect all Intermediate theatre students to attend at least **one play or Myers Park Performing Arts concert per semester**. The dates of these concerts (band, choir, dance, and orchestra) will be posted in the classroom.

To earn credit for a **play attendance**, you need to write a Production Reflection. This production may be a play at any high school, professional or community theatre. If finances are a concern for attendance, please contact

me as soon as possible so that I can attempt to arrange assistance. Please bring a program or some document that shows me you attended (you need not purchase a program) AND write a two (2) page response to the production.

Your response should thoughtfully address at least three (3) of the following bullet points. Please do not summarize the play for me. I want you to think critically about the play and its production.

- *What actor captured your imagination? Why?*
- *What worked well technically within this show? Why?*
- *What could have been improved and how could it have been improved?*
- *What from this production connected to what we've been learning in class?*
- *What is one thing you liked about this production? Is there something you did not like? You do not need to remain neutral with your response, but please think about **why** you did not like something. What could have been done to make it better?*
- *Have you read or seen this play before? How did this production compare to your expectations?*
- *What was the intent of this production? Did it achieve its goal?*
- *How were other art forms used in this production? Was technology utilized in this show?*
- *In what time period is the action set? How was this time period represented onstage?*

To earn credit for a **concert attendance** you must turn in a program **signed and dated** by me or another MPHS staff member AND write a two (2) page response to the performance.

Your response should address at least two (2) of the following questions:

- *How can this art form enhance theatre productions?*
 - *How could the use of this art be helpful in the rehearsal process?*
 - *How does this performance relate to what we've been studying in class?*
 - *Were there pieces that created an emotional response for you? What emotions and why?*
 - *What sights, tastes, smells came to mind during certain pieces? Colors? Shapes? Textures?*
 - *Did the audience exhibit proper audience etiquette?*
 - *Did certain pieces represent specific cultures to you? Did they make you think of certain cities or countries or people?*
